## REGISTRATION AND MULTI-LEVEL FEE STRUCTURE

As Canoe Island French Camp approaches a half century, we are embarking on camp infrastructure projects to insure that our facility continues to support our excellent programs. As part of this effort, we have a voluntary multi-level fee structure that allows families to pay more than the base level tuition that has traditionally been requested. Your choice of fee level will be treated confidentially. We thank you, in advance, for your registration at the tuition level you are comfortable with.

**Level I** is our base tuition level that requires outside funding efforts to cover the direct and indirect costs of operating, maintaining and upgrading the camp.

**Level II** is a higher tuition level that covers about 90% of the true costs of operating camp including our low camper to staff ratio and maintenance and upkeep of buildings, boats, equipment, and island infrastructure.

**Level III** is our highest tuition level that covers all of the true costs of operating camp.

Session 1	Les Voyageurs	3 weeks	June 20 – July 9	Level I \$2745	II \$3020	III \$3295
