

CANOE ISLAND FRENCH CAMP SCHOLARSHIP FORM

Canoe Island French Camp is committed to providing excellent experiences through its programs to all individuals, regardless of race, gender, religion, disability or economic status. Toward this goal, Canoe Island French Camp will secure and manage funds to assist youth in meeting the expense of our camp programs.

Scholarships are based on the participant's situation and desire to learn the French language, culture and history, and participate in this unique island summer camp program. A \$450 deposit and the registration form must accompany this form. If you are unable to submit the full deposit or have extenuating circumstances, please include a letter explaining your financial situation. Scholarships are not available for the family camp.

Deposit refunds: If a scholarship is unavailable and you choose not to participate in the program, your deposit will be returned in full. If you accept the scholarship but cancel at a later date, your deposit will be handled as per the standard camp cancellation policy (see application form).
